

KEYSTONE FINE WINES

BLUE MOUNTAIN

Vineyard and Cellars

Blue Mountain is a family run vineyard and winery located in the picturesque south Okanagan Valley, overlooking Vaseux Lake. The Mavity family has farmed this bench since 1971, founded the winery in 1991, and are committed to sustainable viticulture practices using exclusively estate-grown grapes from their 31 hectare estate. Blue Mountain follows the 'estate' concept to its fullest extent and strives to produce complex, age-worthy wines, consistent in style while allowing the expression of both the vineyard site and the individual growing season. 2016 marked the winery's 25th vintage, an impressive milestone.
